Introduction

The content of this procedural handbook is equivalent to WorkSource System Policy 1019, Revision 4 and serves as the vehicle for implementing and managing eligibility policy changes.

This handbook provides guidance to staff and partners concerning eligibility requirements for the youth, adult and dislocated worker programs under WIOA Title I and Wagner-Peyser Act under WIOA Title III. Specific components of this handbook provide guidance and minimum requirements for local parameters and definitions to be established by Local Workforce Development Boards (LWDBs) as outlined in Section 3.e (Local Responsibilities) of WorkSource System Policy 1019, Revision 4.

Sections 2, 3 and 4 cover program eligibility requirements for the WIOA Title I youth, adult and dislocated worker programs. Specific parameters and guidance are provided in the subsequent sections under each program. Section 5 covers additional guidance that applies to multiple (though not necessarily all) programs.

The [Eligibility Matrix](#) in Section 6 serves as a tool to review eligibility requirements for each program, including the corresponding documentation requirements.

This handbook is based on the best information available at this time per WIOA law and rules, DOL guidance, and state policies and guidance. The handbook will be revised as relevant DOL and State guidance is issued. Compliance with the state's eligibility policy will be based on the version of the handbook in effect at the time of the action or activity under review.

Definitions

- **Case Notes** – For the purpose of Data Element Validation (DEV), case notes refer to either paper or electronic statements by staff that identify, at a minimum, the following: a participant's status for a specific data element, the date on which the information was obtained, and the staff who obtained the information ([TEGL 22-15 – Attachment A](#)).
- **Covered Person (for Priority of Service)** – A veteran or his or her eligible spouse.
- **Cross-Match** – For the purpose of DEV, a cross-match requires validating staff to find detailed supporting evidence for the data element in a database ([TEGL 22-15 - Attachment A](#)).
- **Data Element Validation (DEV)** – The federally mandated process by which the state annually assesses the accuracy of reported participant data (refer to [WorkSource System Policy 1003, Revision 1](#) and [TEGL 22-15 – Attachment A](#)).
- **Eligible Spouse (of a Veteran)** – The spouse of any of the following (Jobs for Veterans Act Section 2(a)):
 - (1) Any veteran who died of a service-connected disability;
 - (2) Any member of the Armed Forces serving on active duty who, at the time of application for the priority, is listed in one or more of the following categories and has been so listed for a total of more than 90 days:
 - (i) missing in action;
 - (ii) captured in line of duty by a hostile force; or
 - (iii) forcibly detained or interned in the line of duty by a foreign government or power;

- (3) Any veteran who has a total disability resulting from a service connected disability, as evaluated by the Department of Veterans Affairs; or
 - (4) Any veteran who died while a disability, as indicated in paragraph (3) of this section, was in existence.
- **Self-Attestation** – Self-attestation occurs when a participant (applicant) states his or her status for a particular data element, such as pregnant or parenting youth, and then signs and dates a form acknowledging this status. The key elements for self-attestation are: (a) a participant (applicant) identifying his or her status for a permitted data element and (b) signing and dating a form attesting to this self-identification (with a disclaimer concerning the self-identification). For more information, see [Self-attestation](#) on page 26 of this handbook.
 - **State Management Information System (MIS)** – For the purpose of DEV, State MIS refers to specific, detailed information that is stored in the state’s information system that supports a data element ([TEGL 22-15 - Attachment A](#)).
 - **Veteran** – For the purpose of providing Priority of Service (using the broad definition) and Dislocated Worker eligibility, veteran means a person who served at least one day in the active military, naval, or air service, and who was discharged or released under conditions other than dishonorable, as specified in 38 U.S.C. 101(2). Active service also includes full-time duty in the National Guard or a Reserve component, other than full time duty for training purposes.

1. Alignment of Wagner-Peyser and WIOA Title I Services

1.1 Purpose

According to [Training and Employment Guidance Letter \(TEGL\) 04-15](#), the overarching vision for the One-Stop system is the coordination of fully integrated programs, services and governance structures so job seekers have access to a seamless system of workforce investment services. This intent is accomplished by establishing career services that are consistent across federally-funded workforce development programs. In addition, the U.S. Department of Labor (DOL) has furthered its integration efforts by establishing common performance metrics ([TEGL 10-16, Change 1](#)) and developing an integrated performance reporting system (Participant Individual Record Layout or PIRL) for DOL-funded workforce programs.

States and local areas are encouraged to utilize common intake, case management, and job development systems in order to take full advantage of the One-Stop potential for efficiency and effectiveness. WIOA Title I programs and Wagner-Peyser are mandated to provide the same set of career services described at WIOA Section 134(c)(2)(A). There is a natural alignment of service delivery under Wagner-Peyser since all individuals legally entitled to work in the U.S. are eligible for these services.

NOTE: Personal records of WIOA registrants are private and confidential and not disclosable to the public. Refer to [WIOA Title I Policy 5403](#) and [RCW 50.13](#) for additional guidance on data privacy and security.

1.2 Career Services

There are three types of career services: basic, individualized, and follow-up. There is no sequence requirement for basic and individualized which can be provided in any order to provide flexibility in targeting services to the needs of the customer. Follow-up, however, can only be provided after exit. Section 4 of [TEGL 19-16](#) identifies the services that fall under the basic, individualized, and follow-up categories.

Per 20 CFR 680.120 and 680.130 and TEGL 19-16, individuals 18 years of age or older who are registered, meet the eligibility criteria for, and are enrolled in the WIOA adult program are eligible to receive career services. Per 20 CFR 680.130, individuals who meet WIOA dislocated worker program criteria are also eligible to receive career services.

Staff-assisted Wagner-Peyser employment services fall under the category of basic career services and must be provided in coordination with other one-stop center partners. Wagner-Peyser staff can also provide individualized career services in coordination with other one-stop center partners. Although Wagner-Peyser employment services are available to all individuals, only those who are legally entitled to work in the U.S. can obtain employment. To ensure that individuals who apply or are referred are legally entitled to work in the U.S., the WorkSourceWA.com registration requires customer attestation to legal entitlement to work in the U.S.

In addition to universal access under Wagner-Peyser, basic career services can be provided with WIOA Title I funding. Individuals must be registered, determined eligible and enrolled to receive WIOA Title I funded, staff-assisted career services beyond self-service or informational activities. These services are offered under WIOA Title I (in addition to Wagner-Peyser) to ensure seamless service delivery in the One-Stop Center to minimize referrals and to ensure leveraging of resources between programs.

Per 20 CFR 680.110, self-service and informational activities are services made available and accessible to the general public that are designed to inform and educate individuals about the labor market and the range of services appropriate to their situation, and that do not require significant staff involvement with the individual in terms of resources or time. Both can be provided before registration and neither constitutes enrollment as neither is formally recognized as a staff-assisted WIOA Title I service. [TEGL 17-05](#) clarifies that “significant staff involvement” includes staff’s assessment of a participant’s skills, education or career objectives to assist the participant in making a decision or accessing information as opposed to staff providing a participant with readily-available information that does not require an assessment.

NOTE: This policy covers basic eligibility requirements for Wagner-Peyser, including priority of service requirements for Covered Persons (using the broad definition of veteran – see [Section 5.3](#)). For verification of veteran status, the Wagner-Peyser program has specific requirements. For an overview of services for veterans (using the standard definition) under Wagner-Peyser, please refer to [Wagner-Peyser Employment Service Policy 4030 - Services for Veterans](#).

All Wagner-Peyser funded services must be provided by state merit staff as per 20 CFR 652.215 and [TEGL 11-12](#).

1.3 Training Services

Training services are funded and provided to jobseekers under the WIOA Title I programs. Individuals provided training services funded by WIOA Title I must be registered, determined eligible and in need of additional service beyond career services to obtain or retain employment per 20 CFR 680.210.

As part of the aforementioned eligibility process, individuals must receive, *at a minimum*, an interview, evaluation or assessment and career planning or other means by which eligibility for WIOA-funded training services can be determined (20 CFR 680.220 and [TEGL 19-16](#)).

Per WIOA Section 134(c)(3)(A)(iii), 20 CFR 680.220, and [TEGL 19-16](#), there is no requirement that career services first be provided as a condition of receiving training services. However, if career services are not provided before training, LWDBs must document the circumstances justifying their course of action.

DOL encourages the referral of Wagner-Peyser recipients to WIOA Title I programs for training services when appropriate ([TEGL 11-12](#)).

1.4 Supportive Services

Per TEGL 19-16, WIOA Title I Policy 5602 Revision 1, and WIN 0078 Change 1, supportive services can be provided to WIOA Title I adults and dislocated workers during participation (not during follow-up or after exit) subject to having also received a career or training service (i.e., supportive services cannot be the only service in a participant record). The supportive service can be recorded on or after the date of the career or training service and should include a case note explaining how the supportive service connects to a career or training service.

Per TEGL 21-16 and WIN 0084, supportive services for WIOA Title I youth can be provided either during participation or after exit as Program Elements 7 and 9, respectively.

Per TEGL 10-16 and TEGL 19-16, Attachment II, individuals in incumbent worker training are not eligible to receive supportive services unless they meet eligibility for and are co-enrolled in either the WIOA Title I adult or dislocated worker programs and receive a qualifying career service or training. In other words, supportive services cannot be provided to individuals who are in incumbent worker training only. See also Section 10.5 – Incumbent Worker Training.

Note: Food and groceries are prohibited as supportive services as DOL has determined that they are beyond the scope of WIOA (see supportive services definition in WIOA Title I Policy 5602, Revision 1).

2. WIOA Title I Youth Program

2.1 Youth Program Requirements

Youth program requirements are distinguished by In-School youth and Out-of-School youth, which have different eligibility requirements.

2.1.1 In-School Youth

Individuals must meet the following eligibility guidelines to be In-School youth:

- U.S. citizen or otherwise legally entitled to work in the U.S.;
- Attending school as defined by state law¹;
- Age 14 through 21;
- Selective Service Registration (males who are 18 or older and born on or after January 1, 1960), unless an exception is justified (see [Section 5.2](#) for guidance on Selective Service registration).
- Low income individual (see [Section 2.4](#) for guidance on exceptions); and
- One or more of the following:

Category 1	Basic skills deficient
Category 2	An English language learner
Category 3	An offender ²
Category 4	A homeless individual (as defined in Section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2(6))), a homeless child or youth (as defined in Section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2))), or a runaway

Category 5	An individual in foster care or has aged out of foster care system or who has attained the age of 16 years of age and left foster care for kinship guardianship or adoption; a child eligible for assistance under Section 477 of the Social Security Act (42 U.S.C. 677) or in an out of home placement
Category 6	An individual who is pregnant or parenting ³
Category 7	A youth who is an individual with a disability
Category 8	An individual who requires additional assistance to complete an educational program or to secure or hold employment ⁴

¹ Section 4 of TEGL 21-16 conditions the designation of home-schooled individuals as In-School Youth (ISY) or Out-of-School Youth (OSY) based on state and/or local education agency policies. In Washington, state statutes for the Office of Superintendent of Public Instruction ([RCW 28A.200, 28A.225.010\(4\)](#)) articulate the requirements for being recognized as home-schooled individuals. Individuals whose home-schooling activity meets those requirements can seek eligibility as ISY; if not, they need to meet OSY eligibility criteria.

² Section 4 of [TEGL 21-16](#) addresses eligibility related to “offender” status for ISY and OSY. Youth who have been charged with an offense, but subsequently directed to community-based diversion programs rather than the formal court system, meet the definition of having been “subject to any stage of the criminal justice process” due to having been *charged* with an offense, even though they have not been remanded to the court system.

³ Section 4 of TEGL 21-16 clarifies that an individual who is parenting can be a mother or father, custodial or non-custodial, and that the age the youth becomes a parent does not factor into this definition as long as the youth is within the WIOA youth age eligibility. One important distinction is that the father does not attain parenting status under WIOA until the child is born; that status does not convey to the father during pregnancy. To be clear, only the expectant mother can be a pregnant individual.

4 Per 20 CFR 681.300, LWDBs that use Category 7 to determine in-school eligibility must establish local policies that define “requires additional assistance to complete and educational program or to secure or hold employment” criterion and documentation requirements (WorkSource System Policy 1019, Revision 3 - Section 3.d - Local Responsibilities). Refer to [Section 6](#) for an overview of eligibility criteria and documentation requirements.

2.1.2 Out-of-School Youth

Individuals must meet the following eligibility guidelines to be Out-of-School Youth:

- U.S. citizen or otherwise legally entitled to work in the U.S.;
- Not attending school as defined by state law¹;
- Age 16 through 24;
- Selective Service Registration (males who are 18 or older and born on or after January 1, 1960), unless an exception is justified (see [Section 5.2](#) for guidance on Selective Service registration); and

- One or more of the following:

Category 1	A school dropout ²
Category 2	A youth who is within the age of compulsory school attendance ³ , but has not attended school for at least the most recent complete school year calendar quarter
Category 3	A recipient of a secondary school diploma or its recognized equivalent who is a low-income individual <u>and</u> is basic skills deficient <u>or</u> an English language learner
Category 4	An individual who is subject to the juvenile or adult justice system ⁴
Category 5	A homeless individual (as defined in Section 41403(6) of the Violence Against Women Act of 1994 (42 U.S.C. 14043e-2(6))), a homeless child or youth (as defined in Section 725(2) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2))), or a runaway
Category 6	An individual in foster care or has aged out of foster care system or who has attained the age of 16 years of age and left foster care for kinship guardianship or adoption; a child eligible for assistance under Section 477 of the Social Security Act (42 U.S.C. 677) or in an out of home placement
Category 7	An individual who is pregnant or parenting ⁵
Category 8	A youth who is an individual with a disability
Category 9	A low-income individual who requires additional assistance to enter or complete an educational program or to secure or hold employment ⁶

¹ The state's dropout reengagement program authorized under [RCW 28A.175.100](#) provides educational opportunities and access to services to older youth ages 16 to 21 who have dropped out of high school or are not accumulating sufficient credits to reasonably complete a high school diploma in a public school before the age of 21 and are *unlikely to re-engage in education by re-enrolling in a traditional or even alternative high school*. [RCW 28A.175.110](#) states that youth in this program are regularly enrolled students of the school district in which they are enrolled.

Section 4 of TEGL 21-16 on high school equivalency programs and dropout re-engagement programs states that “Youth attending high school equivalency (HSE) programs, including those considered to be dropout re-engagement programs, funded by the public K–12 school system that are classified by the school system as still enrolled in school are considered ISY.” Because Washington’s Open Doors program, which is cited in state RCW and WAC, recognizes a range of models or approaches with varying degrees of school or school district engagement, DOL acknowledges that Washington’s In-School Youth (ISY) and Out-of-School Youth (OSY) determination is situational and depends on the degree to which schools and school districts are

service providers and funders in dropout re-engagement programs. If schools or school districts, despite having enrolled the youth into school, largely cede service provision to other entities (e.g., WIOA Title I youth providers, community-based organizations, non-profits), have minimal financial investment, and require little or no district-based accountability of participants, youth in those programs can be designated OSY. Conversely, if schools or school districts are substantially directive, invested, and accountable (e.g., WIOA Title I Youth program only provides supportive services to participants), those youth should be designated ISY. This also applies to dropout re-engagement programs not connected to Open Doors. Based on these guidelines, local areas must thoroughly document OSY designation when youth participants in dropout re-engagement programs are enrolled in school.

- ² Per WIOA Section 3(54), the term “School Dropout” means an individual who is no longer attending any school and who has not received a secondary school diploma or its recognized equivalent.
- ³ Per RCW 28A.225.010, the age of compulsory school attendance in Washington is eight (8) years of age to under 18 years of age. For the purpose of WIOA Title I Out-of-School Youth, that encompasses 16-17 year olds.
- ⁴ Section 4 of [TEGL 21-16](#) addresses eligibility related to “offender” status for ISY and OSY. Youth who have been charged with an offense, but subsequently directed to community-based diversion programs rather than the formal court system, meet the definition of having been “subject to any stage of the criminal justice process” due to having been *charged* with an offense, even though they have not been remanded to the court system.
- ⁵ Section 4 of TEGL 21-16 clarifies that an individual who is parenting can be a mother or father, custodial or non-custodial, and that the age the youth becomes a parent does not factor into this definition as long as the youth is within the WIOA youth age eligibility. One important distinction is that the father does not attain parenting status under WIOA until the child is born; that status does not convey to the father during pregnancy. To be clear, only the expectant mother can be a pregnant individual.
- ⁶ Per 20 CFR 681.300, LWDBs that use Category 9 to determine out-of-school youth eligibility must establish local policies that define “requires additional assistance to complete an educational program or to secure and hold employment” criterion and documentation requirements (WorkSource System Policy 1019, Revision 3 - Section 3.d - Local Responsibilities). Refer to [Section 6](#) for eligibility criteria and documentation requirements.

For ISY Category 8 and OSY Category 9, the WDC Youth Council defines “an individual who requires additional assistance” as a person who has one or more of these barriers:

- an approved Individual Education Plan
- personal or family substance abuse issues
- gang involvement/affiliation/affected
- enrolled in alternative education program or at risk of dropping out of school
- lacks affordable housing
- victim of domestic violence or sexual/child abuse
- an identified social adjustment or mental health issue

- lacking a significant or positive work history
- member of migrant family
- not at grade parity and one or more grade levels below grade level to her/his age
- lacking work maturity
- other barrier as determined significant by the Youth Council
- A youth with a disability meets the “requires additional assistance” requirement and can be considered a family of one for low-income determinations (refer to Sec. 5.6.2). For an overview of eligibility criteria and documentation requirements refer to Sec. 6 of this handbook.
- In addition, up to 5% of total youth enrollments may be non-economically disadvantaged if they have one or more of the following barriers:
 - school dropout
 - basic literacy skills deficiency
 - one or more grade levels below the grade level appropriate to the individual’s age
 - pregnant or parenting
 - one or more disabilities, including learning disability
 - homeless or runaway
 - offender
 - face serious barriers to employment (see barriers for individuals requiring additional assistance)

2.2 Additional Definitions of Low Income

Utilizing the definition of low-income at WIOA Section 3(36), LWDBs can make local determinations regarding income verification and what is included or excluded as income (WorkSource System Policy 1019, Revision 3 - Section 3.d - Local Responsibilities).

WIOA Section 129(a)(2) states that low-income additionally includes youth living in high-poverty areas with 20 CFR 681.260 defining a high-poverty area as a Census tract, a set of contiguous Census tracts, Indian Reservation, tribal land, or Native Alaskan Village or county that has a poverty rate of at least 30 percent as set every five years using [American Community Survey](#) data.

20 CFR 681.250 and 681.270 allow that low-income for ISY further includes youth who receive (or are eligible to receive) free or reduced price lunches under the Richard B. Russell National School Lunch Act. Per Section 4 of TEGL 21-16, however, if schools offer all students with free or reduced price lunches, this criterion cannot be used to determine individual low-income eligibility for ISY. Also, with that same qualifier, OSY who are parents of children living in the same household who receive (or are eligible to receive) free or reduced price lunches meet low-income criteria based on their children’s qualification.

WIOA Section 3(36)(A)(vi) and 20 CFR 681.280 allow that the income eligibility level for youth with disabilities is based on the disabled youths’ own income rather than their family income.

2.3 Exceptions to Youth Eligibility Requirements

Exemption from low-income requirement. Per WIOA Section 129(a)(3)(B) and 20 CFR 681.250, in any single program year, no more than five percent of a local area's total youth participants can be those who are not low-income despite the low income eligibility requirement (In-School Youth or Out-of-School Youth in Category 3 or 8).

Limitation on In-School Youth requiring additional assistance. Per WIOA Section 129(a)(3)(B), in any single program year, no more than five percent of a local area's total In-School Youth participants can be those who require additional assistance to complete an educational program or to secure or hold employment (Category 7).

2.4 Local Definition of Low Income

Using the definition of low-income at WIOA Section 3(36), a low-income individual may also be defined as an individual who receives, or in the past 6 months has received, or is a member of a family that is receiving or in the past 6 months has received, assistance through the Supplemental Nutrition Assistance Program established under the Food and Nutrition Act of 2008 (7 U.S.C. 2011 et seq.) (Food Stamp Program), the program of block grants to States for temporary assistance for needy families program under Title IV, Part A of the Social Security Act (42 U.S.C. 601 et seq.) (SSI), or State or local income-based public assistance;

3. WIOA Title I Adult Program

3.1 Adult Program Requirements

Individuals must meet the following eligibility criteria for the Adult Program:

- U.S. citizen or otherwise legally entitled to work in the United States;
- Age 18 or older; and
- Selective Service Registration (males who are 18 or older and born on or after January 1, 1960), unless an exception is justified (see [Section 5.2](#) for guidance on Selective Service registration).

Refer to [Section 6](#) for eligibility criteria and documentation requirements.

3.2 Priority for Services under the Adult Program

Priority selection is established for and local areas must target certain populations in accordance with WIOA Section 134(c)(3)(E), 20 CFR 680.600, and 20 CFR 680.640. These targeted populations must first meet the eligibility requirements for the Adult Program. Note: priority selection does not apply to individuals receiving only basic career services.

The table below describes the order and rationale for prioritization based on the requirements in WIOA Section 134(c)(3)(E), 20 CFR 680.600, 20 CFR 680.640, and [TEGL 10-09](#). For purposes of this section, the term "covered person(s)" refers to veterans and eligible spouses per priority of service for veterans. Priority requirements for the WIOA Title I Adult Program are as follows:

Priority	Mandatory Priority Group	Explanation
First	Covered persons (veterans and eligible spouses) who are low income, recipients of public assistance, or basic skills deficient.	Guidelines for serving covered persons (WorkSource System Policy 1009 Revision 2 – Priority of Service) apply within the mandatory priority criteria of low-income / public assistance/basic skills deficient recipient.
Second	Individuals (non-covered persons) who are low-income (may include unemployed individuals), recipients of public assistance, or basic skills deficient.	The mandatory priority criteria (low-income / public assistance recipients / basic skills deficient) have preference over covered persons (veterans and eligible spouses) who do not meet the mandatory priority criteria.
Third	Covered persons (veterans and eligible spouses) who <u>are not</u> low- income and <u>not</u> basic skills deficient.	Guidelines for serving covered persons (WorkSource System Policy 1009 Revision 2 – Priority of Service) apply in the third category (individuals who are not low-income / public assistance recipients / basic skills deficient).
Fourth (optional)	An individual (non-covered person) who <u>IS NOT</u> low-income and <u>IS NOT</u> a recipient of public assistance and <u>.IS NOT</u> basic skills deficient).	

NOTE: An adult with a disability can be considered a family of one for low-income determinations (refer to [Section 5.6.2](#)).

According to 20 CFR 680.120, 680.130, and 680.210, the aforementioned priority requirements do not necessarily mean that only recipients of public assistance and other low-income individuals can receive WIOA Title I adult funded individualized career services and training services. LWDBs may serve other eligible individuals who are not recipients of public assistance, other low-income, or basic skills deficient after first serving eligible individuals who meet the established priority selection criteria. Unemployed individuals may be considered low-income individuals provided they meet local parameters regarding low-income (refer to [Section 5.6.1](#)).

Priority Selection for Career Services and Training Services Funded with WIOA Statewide Activities Funds

For purposes of WIOA Title I statewide activities funds, the Governor has determined that these funds will be prioritized as follows:

1. Eligible veterans and spouses;
2. Unemployed individuals;

3. Low-income individuals;
4. Other Washington job seekers.

As indicated by the first priority, recipients of WIOA statewide activities funds must continue to provide priority selection of veterans for career and training services as required under Public Law 107- 288 “Jobs for Veterans Act” and in alignment with [WorkSource System Policy 1009, Revision 2](#). In applying this policy to such projects, veterans who are unemployed and/or low-income have priority over all other individuals served under these projects.

4. WIOA Title I Dislocated Worker Program

4.1 Dislocated Worker Program Requirements

Individuals must meet the following eligibility guidelines for the Dislocated Worker Program:

- U.S. citizen or otherwise legally entitled to work in the U.S.;
- Selective Service Registration (males who are 18 or older and born on or after January 1, 1960), unless an exception is justified (see [Section 5.2](#) for guidance on Selective Service registration) or the individual is less than 18 years of age; and
- One of the Dislocated Worker categories (see [table](#) below).

Refer to [Section 6](#) for eligibility and documentation requirements.

The matrix on the following page is meant to provide clarity on the requirements within each Dislocated Worker category. Military Service Members (Category 5) and Spouses of Dislocated Military Service Members (Category 6) have been included as individual categories to allow for specificity, though it is commonly understood that these categories fall under the General Dislocation category (1). Refer to [Section 5.7](#) for guidance related to the impact of Washington’s Marriage Equality Act.

Dislocated Worker Eligibility Criteria

Category	Criteria
1. General Dislocation	<input type="checkbox"/> 1.1 An individual who was terminated, laid off, or received a notice of termination or layoff. AND
	<input type="checkbox"/> 1.2 Is determined unlikely to return to previous industry or occupation (defined by LWDBs); AND
	<input type="checkbox"/> 1.3.1 Is eligible for or has exhausted entitlement to unemployment compensation; <u>OR</u> <input type="checkbox"/> 1.3.2 Is not eligible for unemployment compensation but can show attachment to the workforce of sufficient duration.
2. Dislocation from Facility Closure / Substantial Layoff	<input type="checkbox"/> 2.1 An individual who was terminated, laid off, or received a notice of layoff from employment at a plant, facility, or enterprise as a result of: Permanent closure; or Substantial layoff; <u>OR</u> <input type="checkbox"/> 2.2 An individual employed at a facility at which the employer has made a general announcement that the facility will close within 180 days.
3. Self-employed Dislocation	<input type="checkbox"/> Was self-employed (including employment as a farmer, rancher or a fisherman), but is unemployed as a result of general economic conditions in the community in which the individual resides or because of natural disasters.
4. Displaced Homemaker * <small>* Per TEGL 26-13, individuals cannot cite long-term partners to whom they were not married as family members. Individuals can cite adult children upon whom they were financially dependent as family members so long as it is appropriately documented.</small>	<input type="checkbox"/> 4.1 An individual who was dependent on the income of another family member and is no longer supported by the income of that family member; <u>OR</u> Is the dependent spouse of a member of the armed forces on active duty and whose family income is significantly reduced because of a deployment, a call or order to active duty, or a service-connected death or disability of the member; AND <input type="checkbox"/> 4.2 Is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment.
5. Dislocated/ Separating Military Service Members	<input type="checkbox"/> 5.1 A non-retiree military service member who was discharged or released from service under <u>other than dishonorable discharge</u> , or has received a notice of military separation (defined by LWDB (see Section 4.2.1). Per 20 CFR 680.660, separating military service members automatically qualify as unlikely to return to a previous industry or occupation and as eligible for or exhausted entitlement to Unemployment Insurance. Note: Dislocated military service members, veterans and other covered persons are eligible for Priority of Service (POS) as described in POS Policy 1009, Revision 1.
6. Spouses of Military Service Members	<input type="checkbox"/> 6.1 The spouse of a member of the armed forces on active duty, and who has experienced a loss of employment as a direct result of relocation to accommodate a permanent change in duty station of such member; <u>OR</u> <input type="checkbox"/> 6.2 The spouse of a member of the armed forces on active duty and who is unemployed or underemployed and is experiencing difficulty in obtaining or upgrading employment. Note: a military spouse may also qualify as a displaced homemaker (Category 4).

4.2 Serving Non-Retiree Military Service Members and their Spouses

4.2.1 Non-Retiree Military Service Members (Dislocated Worker Category 5)

Refer to [Section 6](#) for a breakdown of eligibility criteria and documentation requirements. A military service member who is separated from military service under conditions other than dishonorable, or who receives a notice of future separation, may be eligible under the WIOA Dislocated Worker program based on the “termination” criteria. This may include National Guard or Reserve members who have been discharged from active duty service, but not necessarily from other reserve commitments, such as training. Note: Retirement orders do not qualify as “terminated” or “laid off.”

Veterans and other covered persons determined eligible for the Dislocated Worker program are given priority for services according to the Jobs for Veterans Act and WorkSource (see [WorkSource System Policy 1009, Revision 2 – Priority of Service](#)).

The following serves as an outline of Dislocated Worker eligibility criteria as they apply to discharged and separating military service members:

Section (3)(15)(A)(i): Has been terminated or laid off or received notice of termination or layoff.

[TEGL 22-04](#) states that a discharge from the military under honorable circumstances meets the “termination” criterion. A Department of Defense Form 214 (DD-214) is the most common documentation used to determine discharge status.

Washington has determined that still-active, transitioning military service members may also qualify for Dislocated Worker services. While these individuals may be *eligible* to receive WIOA Dislocated Worker services and funds, they are not ‘veterans’ for the purposes of DOL reporting.

For the purposes of serving still-active transitioning service members under the “notice of termination or layoff” eligibility criterion, documentation must align with the DEV requirement for “Date of Actual Qualifying Dislocation” (refer to [Section 6 of the Handbook](#)).

Per ESD WorkSource System Policy 1019 (Rev. 3), the WDC designated a timeframe of up to 18 months prior to a qualified service member’s planned separation or discharge during which they are eligible to receive Dislocated Worker Services.

4.2.2 Spouses of Military Service Members (Dislocated Worker Category 6)

Refer to [Section 6](#) for eligibility criteria and documentation requirements. [TEGL 22-04, Change 1](#) provides clarification and flexibility to serve spouses of military service members (military spouses) under the dislocated worker program. DOL affords local areas significant flexibility to serve military spouses. [TEGL 22-04](#) clarifies that the term “military spouse” includes individuals who are married to active duty service members (including National Guard or Reserve personnel on active duty) and surviving spouses of active duty service members who lost their lives while on active duty service in combat-related areas (e.g., Afghanistan, Iraq, Syria). Refer to [Section 5.7](#) for guidance related to Washington’s Marriage Equality Act.

When the spouse is unable to continue an employment relationship due to the service member's permanent change of military station, or the military spouse loses employment as a result of the spouse's discharge from the military, then the separation from employment meets the termination component of the WIOA definition of Dislocated Worker. Eligibility determinations must align with UI policy regarding "good cause" for voluntary quits. Below are two common scenarios that would qualify:

- The spouse of a military service member voluntarily quits because he/she is relocating with the service member to a new duty location.
- The spouse of a military service member is no longer eligible to work on the base as a result of the (military service member's) discharge.

NOTE: Good cause is **not** found when claimants quit work to relocate someplace other than their military spouse's or domestic partner's new duty location, including relocation to the home of record or elsewhere.

As provided in [TEGL 22-04](#) and [TEGL 22-04, Change 1](#), "termination" of military spouses based on the circumstances described above can be considered to determine "unlikely to return to a previous industry or occupation" to qualify as a dislocated worker.

Determination is a matter of judgment based on relevant circumstances, but in most cases, military spouses impacted by a service member's duty reassignment or discharge will meet the "unlikely to return to a previous industry or occupation" criterion under WIOA and could be served as dislocated workers.

Military spouses can also be served as dislocated workers if they meet the definitional requirements for displaced homemakers at WIOA Section 3(15)(A)(ii).

4.3 Eligibility for Employed Individuals

4.3.1 Under-Employed Workers

Per Section 11 of TEGL 19-16, the State allows under-employed workers to qualify for the WIOA Title I Dislocated Worker program if they have been dislocated from full-time employment and meet one of the following eligibility criteria:

1. Employed less than full-time but actively seeking full-time employment
2. Employed in a position that is inadequate with respect to documented skills and training
3. Employed but meet the definition of “low-income” in WIOA Section 3(36)
4. Employed but current earnings are insufficient compared to earnings from previous employment

Note: Underemployed workers also qualify for the WIOA Title I Adult Program, while those who meet the “low income” definition also receive priority of service.

4.4 Stop Gap Employment

Stop-gap employment is temporary work an individual accepts only because they have been laid off or terminated from the customary work for which their training, experience or work history qualifies them. Stop-gap employment must be temporary in nature with the intent to end employment upon completion of training, obtaining self-sufficient employment or as specified in the individual employment plan (IEP).

Typically, stop-gap employment will pay less than the individual’s self-sufficiency wage (as defined by the LWDB); however, there may be specific circumstances (determined locally based on local criteria) where stop-gap employment does provide a sufficient wage temporarily, but is not considered permanent employment that leads to self-sufficiency. This stop-gap employment would not change an individual’s dislocated worker status if it meets LWDB criteria.

Otherwise eligible dislocated workers remain eligible if either prior to or during Title I Dislocated Worker program participation, their stop-gap employment is obtained for the purpose of income maintenance. If dislocation from a stop-gap position occurs, the job of dislocation remains the original job that established the self-sufficient income. If, at any time, an individual obtains employment that meets LWDBs’ definition of self-sufficiency, including a scenario where the employment period exceeds LWDB-established criteria for temporary employment, then that position would be considered the self-sufficient job of dislocation in the event of a future dislocation.

5. Additional Program Guidance

5.1 U.S. Citizenship or Legal Right to Work in the U.S.

As outlined in Sections 2.1, 3.1 and 4.1, LWDBs are required to verify U.S. citizenship or legal right to work for all WIOA Title I programs. Self-attestation is the minimum documentation requirement, but LWDBs may choose to require commonly used [I-9 Documentation](#) such as driver’s license or ID cards

along with Social Security cards. Other documentation may only be used to supplement self-attestation or accepted I-9 documentation.

5.2 Selective Service Requirements

To be eligible to receive WIOA Title I-funded services, all males born on or after January 1, 1960 must present documentation showing compliance with the Selective Service registration requirements or exceptions, or local areas must determine that the failure to register was not knowing and willful. Complete Selective Service registration requirements and exceptions are found in [TEGL 11-11, Change 2](#), including acceptable documentation to determine registration status and procedures for determining whether or not failure to register was knowing and willful.

Additionally, the [Selective Service System Website](#) provides additional information about registration requirements, including the [Who Must Register Quick Reference Chart](#).

Males 25 Years and Under

Before being enrolled in WIOA Title I services, all males who are not registered with the Selective Service and have not reached their 26th birthday must register through the [Selective Service System Website](#) or provide documentation indicating they are covered by an exception (i.e., serving in the military on full-time active duty or a non-U.S. male on a valid non-immigrant visa). Males turning 18 while participating in WIOA Title I services must complete their Selective Service registration no later than 30 days after turning 18 to continue to receive WIOA Title I services. Males between 18 and 25 years of age who refuse to register with the Selective Service must be suspended from WIOA Title I services until registered.

If a youth fails to provide verification of Selective Service registration within 30 days of his 18th birthday, services must be suspended (i.e. on the 31st day after his 18th birthday). LWDBs must stop providing services to participants who have not met Selective Service registration requirements until the requirements are met.

Males 26 Years and Over

Before enrolling in WIOA Title I services, all males 26 years of age or older must provide (1) documentation of compliance with Selective Service registration requirements; (2) documentation showing they were not required to register; or (3), if they were required to register but did not, documentation establishing that their failure to register was not knowing and willful.

Determining Knowing and Willful Failure to Register

[TEGL 11-11, Change 2](#) provides local areas with detailed information about requesting a Status Information Letter and the process for determining knowing and willful failure to register. The intent of the TEGL is to provide a framework for local areas to make determinations through a local process where determinations are based on the individual circumstances (e.g., questions, considerations, statements, status information letter) and relevant documentation (i.e., documentation that supports the reason for not registering or further supports the belief that it was not knowing or willful). Because circumstances will vary and need to be considered, there is not an established and definitive list of acceptable documentation.

5.3 Priority of Service for Veterans and Eligible Spouses

All WIOA programs and service delivery must align with federal law, regulations, and guidance on Priority of Service. Priority of service entitles eligible veterans or spouses to enrollment and services before eligible non-covered persons. Refer to [38 U.S. Code 4215](#), [20 CFR Part 1010](#), [TEGL 10-09](#), [VPL 07-09](#), and [WorkSource System Policy 1009 – Priority of Service for Veterans and Eligible Spouses](#) and for additional guidance on Priority of Service. Refer to [Section 3.2](#) for specific guidance on priority for service for the Title I Adult program.

5.4 Assisting Victims of Human Trafficking

This guidance is appropriate for one-stop center staff, especially intake workers and frontline staff who may encounter individuals they believe may be victims of human trafficking. If individuals are under immediate threat and/or state that they are in danger, staff are instructed to call 911.

On October 24, 2012, the U.S. Department of Labor (DOL), Employment and Training Administration (ETA) released [TEGL 9-12](#), which provides additional information and updates earlier guidance on the importance of providing workforce training and referral services to victims of human trafficking. Below are instructions and guidelines for staff.

Recognizing the Characteristics of Victims and Referring Individuals to Proper Authorities and Resources

Many victims of trafficking do not self-identify. A role for staff is to recognize the characteristics of potential victims of trafficking and refer them to proper authorities and resources. See [TEGL 9-12](#), Attachments A and B for information on how to identify potential victims of trafficking and a current list of hotlines that one-stop staff can call to get help for potential victims.

Employment and Training Services for Victims of Human Trafficking:

U.S. citizens or lawful residents who are victims of trafficking can receive the same services provided to the general public under WIOA. In addition, under the Traffic Victims Protection Act, certain foreign nationals are also eligible for WIOA Title I services. This includes victims of both a severe form of trafficking in persons and individuals granted a nonimmigrant “T” (trafficking) visa.

To be eligible for WIOA Title I services as a victim of a severe form of trafficking:

- Individuals 18 years of age or older must have been subjected to an act or practice described in the definition of “severe forms of trafficking in persons” and have received a letter of certification issued by the U.S. Department of Health and Human Services (HHS).
- Children under 18 years old who have been subjected to a severe form of trafficking need not be certified by HHS to be eligible for services; instead, HHS issues Letters of Eligibility to minor victims of trafficking. As with any participant, they must meet all applicable program eligibility requirements to receive WIOA Title I services.

Individuals who are granted “T” visas by the U.S. Department of Homeland Security (DHS) are also eligible for WIOA Title I services. The “T” nonimmigrant status (T visa) is available to individuals who are or have been victims of human trafficking and protects these individuals by allowing them to remain in the United States to assist in an investigation or prosecution of human trafficking.

Employment and training services should be provided to victims of trafficking to the same extent as and following the same procedures and case management processes for other one-stop customers. However, services to victims of trafficking may need to be tailored and adapted to meet the particular needs of this population. For instance, victims of trafficking may have Limited English Proficiency (LEP), criminal records (including from being forced into prostitution), or limited resumes.

Offering Information and Referrals to Other Wrap-Around Services and/or Law Enforcement

In most cases, victims of trafficking will approach one-stop centers toward the end of their rehabilitation process and will have already been working with other federal, state, local or non-profit organizations and agencies. In the event that the victim has not yet received services, it is important for staff to be aware of and utilize local resources and service providers, particularly non-profit organizations that provide services to trafficking victims. Service providers for trafficking victims can also refer or accompany their clients to the nearest one-stop center when they are ready for employment and training services.

A description of available services for victims of trafficking offered either directly by federal agencies or provided by local service providers with funding from the federal government can be found in the document, [Services Available to Victims of Human Trafficking: A Resource Guide for Social Service Providers.](#)

5.5 Use of Unemployment Insurance Self Service (eServices) Web Site

[WorkSource Information Notice \(WIN\) 0027, Change 3](#) provides information on the use of data accessible to Unemployment Insurance (UI) claimants through the Unemployment Insurance Self Service web site to secure information that can assist in determining Dislocated Worker program eligibility. Staff can use printouts of UI information provided by UI claimants who have Secure Access Washington (SAW) accounts that allow them to access and view and print their on-line UI claim information.

5.6 Income Verification and Family Size for the Low-Income Criteria

5.6.1 Income Verification

Unemployed individuals do not automatically meet local parameters regarding low-income. The intent is to prioritize services to individuals based on family income (low-income).

Using the definition of low-income at WIOA Section 3(36), LWDBs make local determinations regarding income verification and what is included or excluded as income (WorkSource System Policy 1019, Revision 3 Section 3.d - Local Responsibilities). Sec. 8 of this handbook provides a list of excludable and includable income. To determine whether an individual is low-income under the definition at WIA Sec. 101(25), it is also necessary to consider family size and family income.

The local definition of “low-income” may include individuals who are unemployed, however, unemployed individuals will not automatically meet the local parameters regarding low-income (i.e., to qualify for the Adult program). The intent is to prioritize services to individuals based on family income (low-income), not to exclude unemployed individuals (who meet the low-income criteria) from receiving services.

To determine whether an individual is low-income under the definition at WIOA Section 3(36), it is also necessary to consider family size and family income.

DOL has provided the following guidance for use in determining low-income status:

- Unemployment insurance, child support payments and old-age survivors insurance are includable income for adults and dislocated workers (TEGL 19-16).
- Military pay or allowances paid while on active duty or paid by the Department of Veterans Affairs (VA) for vocational rehabilitation, disability payments, or related VA-funded programs are not includable income (TEGL 19-16; 20 CFR 683.230).
- Unemployment insurance and child support payments are includable income for youth (TEGL 21-16).

5.6.2 Determining Family Size

For these purposes, “family” under WIOA means two or more individuals related by blood, marriage, or decree of court, who are living in a single residence, and are included in one or more of the following categories:

- A married couple, and dependent children;
- A parent or legal guardian and dependent children; or
- A married couple.

Refer to [Section 5.7](#) for guidance related to the impact of Washington’s Marriage Equality Act.

NOTE: Based on 20 CFR 681.280, even if the family of a disabled individual does not meet the

income eligibility criteria, the disabled individual may be considered a low-income individual if their income meets the income criteria of WIOA section 3(36)(A) or 3(36)(B). Disabled individuals would be considered a family of one and only their income considered in determining low-income.

5.6.3 Defining Dependent

WIOA does not define dependent. To avoid uncertainty in making eligibility decisions regarding family size and income, the State has identified three circumstances where youth must be considered dependents of parents or legal guardians for the purpose of determining family size for WIOA Title I youth and adult program eligibility:

1	Youth not yet 18, who are not emancipated youth nor runaway youth, living “at home” with their parents or legal guardians, including individuals in the temporary care of another individual or household (but not claimed as a dependent by that household)
2	Youth age 18-19 who are full-time students in a secondary school or equivalent and are living “at home” with their parents or legal guardians.
3	Youth age 18-24 who are not full-time students and are living “at home” with their parents or legal guardians and who are primarily supported by their parents.

A legal guardian is a blood relative (e.g., grandparent, aunt or uncle) or other legally recognized relative (e.g., by decree of the court) who claims the youth as a dependent. The key factors are:

- Relationship by blood or decree of court;
- Living in a single residence; and
- The youth is claimed as a dependent.

5.7 Washington’s Marriage Equality Act

Washington’s Marriage Equality Act ([RCW 26.60](#)) expands the definition of a “married couple” beyond that of a male and female. Furthermore, in June 2013, the U.S. Supreme Court ruled unconstitutional Section 3 of the federal Defense of Marriage Act. Accordingly, with respect to this policy, the State’s definition of a married couple extends beyond that of a male and female.

This expanded definition applies to all WIOA Title I policy guidance and specifically impacts: family size, eligible spouses (Priority of Service), military spouses (Dislocated Worker eligibility), and displaced homemakers (Dislocated Worker eligibility).

5.8 Disabled Veterans’ Outreach Program (DVOP) Eligibility

Eligibility for the Disabled Veterans’ Outreach Program (DVOP) under the Jobs for Veterans State Grant (JVSG) is separate and distinct from consideration of either veterans’ and eligible spouses’ priority of service under the WIOA Title I Adult program (refer to Section 3.2) or Dislocated Worker program eligibility for transitioning military service members and eligible spouses (refer to Section

4.2).

Individuals eligible for case-managed DVOP employment and training services include the following:

1. Special disabled veterans and other disabled veterans as defined by [38 U.S.C. 4211](#), with an emphasis on those who are economically or educationally disadvantaged.
2. Veterans discharged under other than dishonorable conditions who do not meet the criteria in subsection (1), but attest to meeting at least one of the following criteria representing Significant Barriers to Employment (SBE):
 - Being homeless or in danger of becoming homeless, to include those fleeing or attempting to flee a hostile home environment
 - Receiving/pending U.S. Department of Veterans Affairs compensation for a disability
 - Currently or has previously been incarcerated
 - Receiving or eligible for public assistance
 - Being discharged in the past three years and unemployed for 27 weeks or longer in the past 12 months
 - Lacking a high school diploma or high school equivalency degree
 - Being between the ages of 18 and 24 inclusive
 - Being a Wounded Warriors or caregiver for Wounded Warriors
 - Separated from the military under other than dishonorable conditions and being discharged due to forced downsizing
 - Having a Department of Defense (DD) Form 2648 (Preseparation Counseling Checklist) on which they have been deemed “not career status ready”

5.9 Trade Adjustment Assistance (TAA) Eligibility

Eligibility for Trade Adjustment Assistance (TAA) is based on an affirmative decision by the DOL's Office of Trade Adjustment Assistance (OTAA) to certify a TAA petition that covers a defined worker group. To that end, OTAA issues to the worker group a decision titled, "Certification Regarding Eligibility to Apply for Worker Adjustment Assistance" that covers all members of the worker group who are separated or threatened with separations during the period beginning one year before the petition was filed and ending two years after the date of the certification. Each certification describes the worker group and specifies the beginning and ending dates.

Certified TAA petitions in Washington, including the “Certification Regarding Eligibility to Apply for Worker Adjustment Assistance,” can be found [on-line](#) on the DOL's searchable web page for listings of petitions and determinations or by contacting ESD's State TAA Program Operator.

5.10 Incumbent Workers

WIOA Section 134(d)(4) and 20 CFR 680.780 direct states and local areas to establish policies, definitions, and processes to determine which workers, or groups of workers, are eligible for incumbent worker training (IWT) services. Per 20 CFR 680.780, to qualify, incumbent workers need to be employed, meet Fair Labor Standards Act requirements for an employer-employee relationship, and have established employment histories with the employer for six months or more by the time the IWT contract is fully executed. However, if the training is provided to a cohort or group of employees, only a mathematical majority must meet the six month or more employment history requirement.

Because IWT is a business service (per [TEGL 10-16](#) and [19-16](#), individuals in IWT are not participants), LWDBs must document that employers meet the eligibility requirements in [WIOA Title I Policy 5607](#) and ensure that employers document that their IWT employees meet incumbent worker eligibility requirements in WIOA Title I Policy 5607 as conditions for approving IWT for employers.

Per 20 CFR 680.780 and Section 13 of [TEGL 19-16](#), incumbent workers need not meet the WIOA Title I eligibility requirements for adults or dislocated workers to receive career and training services unless they are also co-enrolled as participants in the WIOA Title I Adult or Dislocated Worker programs.

Per 20 CFR 682.320-340 and [TEGL 19-16](#), IWT funded by first-year statewide Rapid Response funds must be associated with and documented as part of a layoff aversion strategy designed to prevent layoffs or minimize durations of unemployment resulting from layoffs.

Per [TEGL 10-16](#) and [TEGL 19-16, Attachment II](#), IWT does not trigger participation and individuals in IWT are not program participants. Accordingly, individuals in IWT are not eligible to receive supportive services unless they meet eligibility for and are co-enrolled in either the WIOA Title I adult or dislocated worker programs and receive a qualifying career service or training service (presumably the former as they are already engaged in IWT). In other words, individuals in IWT only are not eligible to receive supportive services. See also Section 1.4 – Supportive Services.

6. Eligibility Documentation Requirements

The matrix below provides a comprehensive overview of program eligibility criteria and documentation requirements. The requirements in this matrix outline eligibility criteria and utilize Data Element Validation (DEV) requirements for alignment purposes. There are, however, additional DEV requirements beyond the eligibility documentation requirements described in this matrix, including different DEV requirements for career services. Refer to [WorkSource System Policy 1003, Revision 1](#) and [TEGL 22-15](#) for comprehensive information on the Data Reporting and Validation System (DRVS) and Data Element Validation (DEV) requirements.

Instructions for the eligibility and documentation matrix:

Criteria

This column represents all eligibility components for WIOA Title I Youth, Adult, and Dislocated Worker (DW) categories, in addition to the components that apply to multiple programs.

Eligibility Requirement

This column includes each program with an indicator in each row if the eligibility criteria applies to the specific program as outlined in Sections 2, 3 and 4 of this handbook.

Documentation Requirement

The corresponding eligibility documentation requirements to the right align with DEV documentation requirements for each eligibility criteria/category. The Enterprise Data Reporting and Validation System (EDRVS) number (if the criteria is included under DEV) or other source (if not included under DEV) is listed above each list of documentation. Note: EDRVS numbers reflected are subject to change based on issuance of DOL/ETA guidelines for DEV applicable to WIOA.

One document in this column is required for each relevant eligibility criteria/category. Each criteria is connected to one or more potential DRVS lists, but only one document (from the relevant list) is necessary (i.e., low-income and youth category 3 include multiple “options” but only one option is necessary). In addition to the required documentation, LWDBs can supplement this requirement by implementing supplemental documentation requirements (WorkSource System Policy 1019, Revision 4 - Section 3.d - Local Responsibilities).

Self-attestation

The self-attestation column indicates whether or not the corresponding documentation list allows self-attestation. To ensure properly documented customer self-attestation, ESD strongly encourages LWDBs to use the self-attestation forms provided in [Section 7](#) of this Handbook or local versions that are substantially similar. However, as noted in the Definition section of WorkSource System Policy 1019, Revision 4, self-attestation can also be a signed and dated WIOA eligibility application that is either in paper format or one of two forms of electronic documentation (a scanned and uploaded copy of the paper document or an application in the state’s case management system with the participant’s date-stamped electronic signature). DOL further recommends that staff document the reason for using self-attestation in case notes.

Improperly documented self-attestation or self-attestation on eligibility elements not permitted under federal law or guidance or this policy may result in disallowed costs. Properly documented self-attestation serves as documentary evidence of eligibility determination and does not, by itself, warrant disallowed cost findings. At the same time, properly documented self-attestation does not, by itself, preclude disallowed cost findings if it is determined during monitoring, reviews, or audits that the attestation was false.

Note: Under [WorkSource System Policy 1023, Revision 1](#), local areas formally implementing Integrated Service Delivery with co-enrollment can utilize self-attestation to document that participants are 18 years of age or older, are legally entitled to work in the U.S., and have registered for Selective Service (as applicable) for the purposes of eligibility determinations for the WIOA Title I adult and dislocated worker programs so long as those individuals are provided basic career services only. If those participants subsequently pursue individualized career services or training services, full eligibility documentation is required.

³ Income as an eligibility requirement for the Adult program is determined by the LWDB in alignment with Section ii.b of this attachment. Income as an eligibility requirement for youth does not apply to youth enrolled in the 5% window.

⁴ Per Section 4.2, transitioning service members may qualify under the Dislocated Worker program even if a DD-214 has not yet been obtained. While these individuals may be *eligible* to receive WIOA Dislocated Worker services and funds, they would not be considered 'veterans' for the purposes of DOL reporting.

8. Includable and Excludable Income for Calculating Low-income Status

Includable Income

- **NOTE: “Bureau of Indian Affairs policy regarding Per Capita payments to Indians made pursuant to P.L.98.64 that under \$2,000.00 are exempt from consideration as a resource of income when determining eligibility for all federally assisted programs.”**

Gross wages and salaries before deductions. Total money earnings received from work performed as an employee. If a family's only source of income was from wages and salary payments, family income would be equal to gross wages and salary received.
Net receipts from non-farm self-employment (receipts from a person's own unincorporated business, professional enterprise, or partnership after deductions for business expenses). If the business or enterprise has suffered a loss, this loss will be allowed to off-set wage earnings.
Net receipts from farm self-employment (receipts from a farm which one operates as an owner, renter, or sharecropper, after deductions for farm operating expenses). If the farm has suffered a loss, this loss will be allowed to off-set wage earnings.
Regular payments from railroad retirement benefits, strike benefits from union funds, worker's compensation, and training stipends.
Alimony.
Military family allotments or other regular support from an absent family member or someone not living in the household, except child support payments and military payments indicated below which are excluded from family income calculations.
Pensions whether private or government employee (including military retirement pay).
Regular insurance or annuity payments received by the individual or family member.
College or university grants or scholarships based on merit, fellowships, and assistantships.
Dividends, interest, net rental income, net royalties, periodic receipts from estates or trusts, and net gambling or lottery winnings.
Net gambling or lottery winnings.
On-the-Job Training wages.
Strike benefits from union funds
If the payment can not meet one of the excludable criteria, then the payment will be includable income.

Excludable Income

State and federal unemployment insurance compensation.
Regular payments from Old-Age, Survivors, and Disability Insurance (OASI) benefits received under Section 202 of the Social Security Act.
Supplemental Security Income Insurance (SSI), Title XVI of the Social Security Act, for the Aged, Blind, and Disabled. SSI is an income supplement program funded by general tax revenues and pays benefits based on financial need (not Social Security taxes). SSI is designed to help aged, blind, and disabled people who have little or no income and provides cash to meet basic needs for food, clothing, and shelter.
Needs-based scholarship assistance, and financial assistance under Title IV of the Higher Education Act, i.e., Pell Grants, Federal Supplemental Educational Opportunity Grants and Federal Work Study, PLUS (Stafford and Perkins loans, like any other kind of loans, are debt and not income).
Child support payments.
Non-cash benefits such as employer-paid or union-paid portion of health insurance or other employee fringe benefits, Medicare, Medicaid, food stamps, school meals, food or housing received in lieu of wages, and housing assistance.
Allowance, earnings, and payments made to individuals participating in WIA programs or any other workforce development program for which eligibility is based upon a needs and/or income test.
Certain one-time cash payments including: tax refunds; one-time gifts; loans, which are debt and not income; assets from the sale of a home, property, or car; one-time insurance settlements; lump sum inheritances; one-time compensation for injury; etc.
Capital gains and losses.
Assets drawn down as withdrawals from a bank and IRA withdrawals.
Income earned while a veteran was on active military duty and certain other veterans' benefits, i.e., compensation for service-connected disability, family compensation for service-connected death, vocational rehabilitation, and education assistance.
Cash welfare payments under a federal, state, or local income-based public assistance program (e.g., Temporary Assistance for Needy Families (TANF), Emergency assistance money payments, Refugee Cash Assistance (PL 97-212)).
Cash payments received under Title V of the Older American's Act.
Payments received under the Trade Readjustment Act of 1974.
Job Corps payments.
U. S. Housing and Urban Development (HUD) rental assistance subsidies.
Stipends received in the following programs: VISTA, Peace Corps, Foster Grandparent Program, YouthWorks/AmeriCorps Programs, and Retired Senior Volunteer Program.
Subsidies for child care made on behalf of a family participating in the child care voucher program administered by the county Step Ahead Council.
Tax refunds, gifts, loans, and other one-time unearned income such as, but not limited to: <ul style="list-style-type: none"> i) payments received for a limited fixed term under income maintenance programs and supplemental (private) unemployment benefits plans; ii) one-time or fixed-term scholarship and fellowship grants; iii) accident, health, and casualty insurance proceeds; iv) disability and death payments, including fixed term (but not lifetime) life insurance annuities and death benefits; v) one-time awards and gifts; vi) inheritance, including fixed term annuities; and vii) fixed-term workers compensation awards.
Foster child care payments.
Social Security Disability (SSDI) Insurance payments (Title II of the Social Security Act, Federal Old-Age, Survivors and Disability Insurance). SSDI pays benefits to individuals that have worked in the past, paid Social Security taxes, and are currently unable to work for a year or more because of a disability. SSDI is considered income replacement.
